SPRING NEWSLETTER

THAT'S MY
BEST FRIEND!

Welcome back to our newsletter. Spring is well on its way and it's nice to see the brighter days. We have had a fun filled packed few months, from hatching chickens, celebrating Valentines and Easter and getting all sweaty with Zumba classes.

A few changes.....

With spring fresh in the air we have been busy refreshing the Day Service, you might see these changes as you come into the centre. We have decided to go for a modern twist and show off the beautiful guys we support.

Coming up....

Within the next few months we have our very first Rainbow Colour Run organised by ourselves. A party for the Kings Coronation and our annual Summer party, the theme will be 'Alice In Wonderland'.

HELLO SPRING

ZUMBA

We would like to welcome back the Siobhan with her amazing Zumba dance Class. Siobhan comes to the Day Service every Tuesday morning and works up a sweat with one of her amazing routines. It's so nice to see everyone get involved, Siobhan makes sure that everyone is included and is having a good time.

Chickens

We had the pleasure of having the chickens back! as you can see everyone loved it. This is our second year of having the chicks and it's safe to say we had 10/10 hatch. According to the statistics this is rare for the North West to have all the eggs hatch.

Well done to Justine and Liam for completing their annual assessment to deliver Positive Behaviour Management theory and practical training. This is managed and reviewed yearly to ensure that both Justine and Liam deliver the training with the correct and current knowledge.

Did you know.... we are the only company in Oldham that are qualified to deliver Positive Behaviour Management Training to our staff.

What is Positive Behaviour Management ? (PBM)

It aims to support staff to develop skills and knowledge in relation to supporting adults who have complex needs and behaviours of concern.

It places a strong emphasis on Positive Behaviour Support and the principles of 'proactive support', 'least restrictive and last resort' strategies.

Well done to the following, Wendy, Jeanette, Paula, Katie, Lisa C, Rebecca M and Lee for completing their theory on Positive Behaviour management training. All taught in house by Justine and Liam.

EASTER PARTY

I hope you have an eggcellent day!

On April 6th we had our annual Easter Party, as you can see the pictures speak volumes. The Guys had so much fun.

This is a glimpse on what we have been up to when we support our amazing guys with care at home and outreach.
